Supplementary Grants.

Mr. T. S. Narayana Ayyar.—Sir, before these supplementary grants are moved, I think it is my duty to bring to the notice of the House that in the case of these grants the House has been deprived of the benefit of a scrutiny by the Standing Finance Committee, on account of the conduct of two members of the Committee which made it impossible to obtain a quorum for the meeting. These Hon'ble Members referring to the declared attitude of Government on certain questions of larger policy withdrew from the meeting, and their conduct made it clear that it would be futile again for Government to attempt to summon another meeting before the Council Session. I should like to point out in this connections the precise functions of the Standing Finance Committee. The scope of discussion on supplementary grants has been clearly defined by the ruling of the Hon'ble President reported in the Council Proceedings, Part 11 page 73. No larger questions of policy could be raised on a discussion of supplementary grants. The Standing Finance Committee is only a committee of this legislature and it can only examine such questions as are set apart for its consideration by this legislature. The conduct therefore of the Hon'ble Members was absolutely unconstitutional.

Rs. 500 under 2—A—1—Agriculture Proper—E—T. A.

Mr. K. Krishna Warriar.—Sir, I rise to move for an additional allotment of Rs. 500 under 2. A. 1-Agriculture-Proper E—T. A. The allotment under the current year's budget is only Rs. 4500/-. Due to increased touring work of the executive staff for doing propaganda work and the journeys of the Director of Agriculture to Simla, Delhi and Bangalore to attend meetings of the Imperial Council of Agricultural Research and the Coffee Cess Committee the allotment of Rs. 4500 will not be sufficient for the year. Savings are not available under other heads for re-appropriation. I therefore request that the House may be pleased to grant the amount.

miles of 2nd hand rails from the South Indian Railway for renewing the worn-out rails of the Tramway. In view of the very low price at which these rails are available—practically at scrap value - it is proposed to avail of this opportunity to purchase 15 miles of rails more, in order that the whole length of the permanent way of the tramline may be renewed with these rails for which a sum of Rs. 27,000/- is required. I, therefore, request that the House may be pleased to grant this allotment.

Rs. 300 under 17—A—Law and Justice—Copying Charges.

Mr. Thomas Manjuran.—Sir, I rise to move for an additional allotment of Rs. 300 under 17—A—Law and Justice—copying charges. Rs. 150 under 17—A—Law and Justice—T. A.

Mr. Thomas Manjuran.—Sir, I rise to move for a supplementary grant for Rs. 150 under 17 A. Law & Justice 'Travelling Allowance'. The amount allotted for the current year is Rs. 300/-. It has practically exhausted mainly on account of the T. A. that had to be paid to the Government Advocate who had to go about in connection with several cases and for taking evidence in connection with the Ezhuthachan Bill. A further amount of Rs. 150 is absolutely necessary. I therefore request that the House may be pleased to grant this amount.

Grant put and carried.

Rs. 400 under 17—A—Law and Justice—Vakils' Fee.

Mr. Thomas Manjuran.—Sir, I rise to move for an additional allotment of Rs. 400 under 17 A. Law & Justice 'Vakils' Fee'. The Vakils' fee allotted in the current year's Budget was only Rs. 150/-.
